

DEPARTMENT OF CHEMISTRY
University of Manitoba

Graduate/Undergraduate Student Conference Travel Assistance Application Form

Within budgetary constraints, the Department of Chemistry endeavors to provide financial assistance to enable undergraduate or graduate students registered in one of the Department of Chemistry programs to attend chemistry conferences. Students provided such financial support are required to complete a travel claim form and provide original receipts in order to be reimbursed. There are three categories of funding:

- Undergraduate student attending the Western Canada Undergraduate Chemistry Conference will normally be provided financial support up to **\$150.00/student**;
- Graduate student attending a chemistry conference but not giving a research talk will normally be provided financial support up to **\$250.00/student**; and
- Undergraduate/graduate students attending a chemistry conference and giving a presentation on research conducted in the Department under the supervision of a Department of Chemistry Faculty member will normally be provided financial support up to **\$350/student**.

Applicant's Name: _____; Student Number: _____; Program: _____

Name of Conference	Location of Conference	Date of Conference

Sources of travel funding support sought	Amount Requested
