

**University
of Manitoba**

Department of
Computer Science

**M.Sc. Thesis Proposal
Submission Form**

Student Name (LAST, First): _____ Student Number: _____

Signature: _____ Date of Submission: _____

Proposal Title: _____

By signing this form, I, the student, acknowledge that I am the author of the proposal and that I have consulted with my advisor(s) regarding my proposal prior to submitting it to my committee.

Advisor: _____ Dept: _____

Signature: _____

Co-Advisor: _____ Dept: _____

Signature: _____

By signing this form, I (we), the advisor(s), acknowledge that I (we) have proofread the student's proposal, have found it to be reasonably free of errors (including spelling, grammatical and formatting errors) and of appropriate scope for an M.Sc. thesis and thus ready for submission.

Upon receipt of a properly completed and signed copy of this form, together with the PDF copy of the proposal itself, and the reviews from the committee members, the GSC will ensure that the proposal meta-review is completed promptly (normally within 2-3 weeks) and that any comments are returned, confidentially, to the student and the student's advisor(s).
