

Faculty of Science
James C. Jamieson Graduate Scholarship
in Biochemistry Application
Supervisor's Assessment

University of Manitoba

Please email completed form to:
Chemistry.Scholarships@umanitoba.ca

Deadline: November 29th, 2021

Supervisor name:

Student name:

Date student joined group (mm/yy):

Expected date of graduation (mm/yy):

1. Compared with other graduate students I have supervised, this student's research productivity and record of achievement are within the:

- Top 10% Top 25% Top 50% Below Average Unable to assess at this time

2. Compared with other graduate students I have supervised, this student's research potential places them in the:

- Top 10% Top 25% Top 50% Below Average Unable to assess at this time

3. Briefly explain the reasons for the above ranking and include any field-specific information that may help the committee assess the student's research record. For example, it may be helpful to compare with typical benchmarks in your field for a student at this stage, explain any special circumstances that may have affected their progress to date, etc.
