

**Department of Statistics
Faculty of Science
University of Manitoba
Winnipeg, Manitoba, Canada**

**Instructor I in Statistics
Position # 33106**

The Department of Statistics invites applications for a full-time Probationary (Non-Tenure Track) position at the rank of Instructor I level, commencing July 1, 2023, or on a date mutually agreed upon. Salary will be commensurate with experience and qualifications.

The Department seeks an emerging scholar with a commitment to excellence in teaching and pedagogical development. The successful candidate will have a Master's degree in Statistics or a closely related discipline; a PhD degree (completed or in progress) will be considered an asset. Preference will be given to those with teaching experience, as well as to those with knowledge and experience with statistical software and educational technologies. Duties may include undergraduate teaching (including live lecture, online and distance delivery formats), pedagogical/course development and assessment, and service-related activities. The candidate should have a track record of outstanding teaching contributions and evidence of the ability to work in a collaborative environment.

To enhance our department and create role models for a diverse population of students, we particularly invite application from those who can support and enhance our diversity, including women, Indigenous peoples, other visible minorities, and those committed to a diverse environment.

The Department currently has 13 full time tenured and tenure track faculty members and five Instructors, and offers a full range of undergraduate and graduate programs in Statistics. Further information about the Department can be obtained from <https://sci.umanitoba.ca/statistics/>.
