2. Other Business

Dean Isaac brought up the subject of Faculty elections and that we were short of one nomination for Faculty Executive after having extended the deadline. Dean Isaac also mentioned that he had

received one objection to his suggestion of drawing a name out of a hat for the one-year term for Senate.

Dean Isaac put forward the suggestion that he might ask for volunteers from among the nominees to take the one-year terms and present this suggestion to the faculty in memo form. It was agreed that if no strong objections were raised by faculty that this procedure be followed.

A short discussion followed on finding a better way of handling nominations in the future. Dr. Arnason suggested that each department council might select a representative for nomination to these committees.

There being no further business meeting adjourned at 4:00 p.m.
