

June 8/87

Minutes of the 94th meeting of the Executive Committee of Science Faculty Council held Monday, June 8, 1987 at 3:30 p.m. in 250 Allen Building.

Present: C. C. Bigelow (Chair), N. E. Losey, L. C. Graham, G. Baldwin, K. Mount; J. McConnell, H. Rowe, P. Pachol

Regrets: F. Hawthorne, N. Hunter

Ms. H. Rowe drew the Committee's attention to the summary charts and data sheets distributed for use in determining the Faculty of Science award winners.

Dr. Baldwin stated that he did not think that Science should award scholarships to students entering Medicine; the exception being the Morton Stall Memorial Scholarship. Dean Bigelow will write to the Alumni Association pointing out this position. The suggestion was made that next year the committee delay awarding scholarships until the professional faculties have decided on their admissions. H. Rowe to follow up on this suggestion.
